## NOTICE FOR US EXHIBITORS

Just a reminder for our friends to the south – in order to cross the border you will need a valid passport and a current rabies certificate for each dog. It is also advisable to get an ERN number for each dog through the Canadian Kennel Club. ERN's cost \$50 per dog (plus tax). You can just pay a listing fee of \$9.30 per show entered per dog but if your dog is awarded points then you would have to get an ERN. No awards can be issued without an ERN.
